Liaisons: Trustee Elia Gourgouris, Board of Trustees; Volunteer Program Specialist, Tori Petersen, Staff

- Call to Order
- Roll Call

1. **Discussion – Committee Goals for the Year** – The Council's five major goals for this year include increasing volunteer service, improving marketing for the Council and programs, beginning to fundraise to develop a supplementary budget, and developing a partnership with Louisville's Youth Advisory Board and local schools.
2. **Discussion – Programming** – The Council planned activities to be added to their 2015-2016 Work Plan. They discussed potential programs for each month including a New Years' Motivation and Goal setting program, a service project for Martin Luther King Day, a Cyber Senior Event in partnership with Louisville Youth Advisory Board, a Parent's night out for Valentine's Day weekend, a School's Out Pool Party, Arbor Day activities, an animal adoption event, National Trails Day activities, Treats for Troops, and one community story time each quarter. The 2015-2016 Work Plan will be finalized at the October meeting and sent to the Board for review.
3. **Discussion – Treats for Troops** – The Council will be leading a campaign beginning October 11 through November 4 to collect candy and supplies for troops overseas. They will advertise to the community the supplies they will be collecting on Halloween night while trick-or-treating. The Council will reach out to the local schools to have drop-off boxes in addition to recruiting peers to join the Halloween night Trick-or-Treating collection. After receiving the donations, the Council will ship the items to Operation Gratitude, a non-profit that facilitates donations to soldiers overseas.

**Next Meeting October 7, 2015, 6:30 pm, Town Hall**
